

# How to Apply for EUTECH SDG Awards

Welcome to the EUTECH SDG Awards application process! We're excited to review your submission.

To ensure your application receives proper consideration, please adhere to the following guidelines:

## Submission Process:

Submit your application electronically through our website. To begin visit our website <https://sdgawards.eutech.org/> and click on the “Apply Now” button located in the top right corner.

## Preliminary Information Submission:

We've streamlined the process to be as straightforward as possible for you. Simply fill out the form with your organization details. Our team will carefully review your details using the link you provide. It's crucial that the link contains all the necessary information for a thorough assessment of your eligibility for the next stage.

If you're selected to proceed to the next stage, we'll notify you via email. Please ensure the email you provide is accurate to ensure timely communication.

## Important Note:

This is the qualifying stage of applications, and only 170 finalists (10 for each SDG) will proceed to the next stage.

Should you have any questions or require assistance, feel free to reach out to our representative,  
Mehbooba Ansari
